Face of Mandara

Our philosophy is to provide you with an exceptional and memorable spa experience, languidly paced and sublimely indulgent. Pure Nature Facial begins with a Floral Footbath, followed by a luxurious soak in an Aromatherapy Floral Bath or a cleansing spell in the Herbal Steam shower, and then there's time to relax with a pot of herbal tea before your facial begins.

Pure Nature Facial

1 hr 20 mins

Mandara Spa's signature facial is rich in enzymes that can peel away dead skin, antioxidant vitamins to protect and treat the cells from environmental (and self-induced!) pollutants and natural oils for deep nourishment. We use only natural ingredients with no harmful preservatives or additives. There are three options for different skin types, relying on nature's life-force to restore the equilibrium and deliver a vitamin and mineral burst to your skin.

Preserve - a cleansing and rejuvenating facial for normal skin.

Renew - a fruit acid facial for treating environmentally damaged skin.

Enrich - a nourishing facial for dry or mature skin.

Body of Mandara
